### WATERBOTTLES

Could parents please send their child into school with a named water bottle everyday. They will have access to these during the day and can also take it with them on any trips or matches that they go on. Could we ask that they are also taken home each night to be washed out and re-filled.

### LANDTRAINING

There will be no landtraining on Mondays for the swimming squad.

### BISCUIT CLUB

As you may be aware Pre-Prep Biscuit Club has now been moved to the Nursery area. During the time in the Biscuit Club, Years 1 and 2 can play board games and have stories in the Nursery. Reception and Nursery children can use the soft play equipment in Tiggers room. Children will need a raincoat as even if the weather is slightly damp they will still be allowed to play outside.

### MORRISONS LETS GROW VOUCHERS

Gardening Club has done so well from the Morrisons 'Lets Grow' vouchers that we will be collecting them again this term. If you shop at Morrisons please collect the vouchers and hand them into the School Office.

### GOLF CLUB

Golf Club starts on Monday after school. As the children already know, those taking part will need to bring in their own club(s) and balls. There will be some balls available, but it would be very useful if most children could bring in their own. There may be a few occasions this term when we cannot play because of poor weather or if the grass at school is very wet. Hopefully these occasions will be very rare!

### YEARS 3 AND 4 BIKE AND RUN CLUB

Bikes can be brought to school in the morning and left behind the Studio or they can be brought into school at 4.30pm for the start of the Club.

Pupils can stay in their games kit or bring home clothes to wear (games kit must be back in school for Thursday). Bike helmets must be worn. Any questions please contact Mr Robinson.

If there are any parents and younger siblings that would like to join us on this trip please contact the office. Mrs Buckett.

### SUNFLOWER GROWING COMPETITION.

I hope you have all been nurturing your sunflowers over the holidays! It will soon be time to take your final measurements and find out if you're a prizewinner.

Categories are: Tallest sunflower, largest diameter of flower head and shortest sunflower.

There will be a chart on the Eco-board for you to record your measurements soon.

Competition closes Friday 25<sup>th</sup> September.

Mrs. Buckett.

### RECEPTION CLASS

Our role-play area in the Reception Class this term is a Chinese restaurant. If anyone has any small Chinese clothes that their children may have outgrown we would be grateful if we could borrow them.

### OPERATION CHRISTMAS CHILD

This is the main charity which the school is supporting this term. Leaflets with more details will be sent home in a few weeks about how to pack boxes of Christmas presents for children around the world. To help in this good cause would you please collect as many shoeboxes as possible, any spare which you cannot fill can be brought in to school in October.

### CHRISTMAS REVUE

Please note that the Christmas revue is on Thursday 3<sup>rd</sup> December this year, with matinee and evening performances. Please only let the children prepare acts if they can attend in the evening.

Pupils should initially speak to Mrs. Jenks, before Half Term, and tell her what act they want to perform, either individually or in a group.

Years 3 and 4 Wednesday lunchtime and Years 5 and 6 Thursday lunchtime. The revue is one of the high points of the year and we try to ensure that everyone in Years 3-6 who wishes to participate can do so. Pupils who are uncertain what to do can attend one of those sessions.
