

Kelly College Preparatory School

Newsletter

1st April 2011

Dear Parents,

Among other things, the last week or so has been a festival of music. We were treated to two superb music concerts last week, with the Pre-Prep performing in the school hall and the Prep concert taking place in Melvin Hall at the senior school. Both were very well attended and those present were treated to many outstanding performances. The music continued this week, with an impressive performance from Michael Moore playing the classical guitar in Wednesday's 'Latin Club' assembly and then with further treats on Wednesday evening at 'Tavistock Sings'. The proportion of Kelly Prep pupils involved in these events is significant and this is largely due to Mrs Twyman and her team – not least Mr King.

As just mentioned, we had the Latin club assembly on Wednesday morning. Ted Jenks, Carys Twyman, George Bowles and Michael Moore performed a small play totally in Latin. Mrs Jenks has fitted all this work and preparation into her lunchtime club. Thank you to all involved.

On a sporting note, the inter-house netball and football took place on Wednesday and it was a clean sweep for Lyd. All pupils in Years 3-6 (who were fit!) took part and the afternoon was a great success. Many thanks to all of the sports department for helping the tournaments run so smoothly. Other events this week included the Year 1 and 2 Victorian Day, the Year 5 French trip to Newquay Zoo and the Easter Egg hunt for all the children from nursery to year 6.

This has been a very busy term, with many successes and the children were asked in this morning's assembly to reflect on their initial targets which they set at the beginning of term and to think of all that they have achieved in the last 12 weeks. I am sure the list would be long. Congratulations to Ellen Phillips-Crowther for being a wonderful Head Girl and I would like to thank everyone in the Kelly Prep community for their incredible work this term and to wish everyone a very restful and enjoyable break.

Matthew Foale
